

★ AMERICAN PRIDE ★ COMMEMORATIVE STICKER CARDS™

Inkworks is proud to announce the November 14 release of **AMERICAN PRIDE**, a commemorative sticker-card collection. **AMERICAN PRIDE** is a timeless ensemble of 45 sticker-card images symbolic of America's great heritage and everlasting spirit.

AMERICAN PRIDE features many of our country's most enduring and meaningful symbols with subsets that include: America the Beautiful, American Icons, Monuments to Freedom, The Flag That We Love and Tour America. These subsets are beautifully illustrated with breathtaking photographs of the Statue of Liberty, The White House, Mount Rushmore and many others. Each sticker-card features information and quotes that reflect on what these symbols of freedom represent to all Americans.

AMERICAN PRIDE sticker-cards are entirely American-made and designed for patriotic collectors of all ages. They can be collected or used as stickers that can be proudly displayed everywhere.

They are value-priced at \$.99 (SRP) per five card pack, which ensures that everyone will have the opportunity to enjoy this historic collection. Each purchase of **AMERICAN PRIDE** commemorative sticker-cards will provide a helping hand to Americans who need assistance. Inkworks will donate a portion of all sales of **AMERICAN PRIDE** to the American Red Cross Liberty Fund. To provide additional financial support to this worthy cause or to find out more about the Liberty Fund, visit the American Red Cross web site at www.redcross.org or call 1-800-HELP-NOW.
